

What's Best for You?

STANLEY[®]
Security Solutions

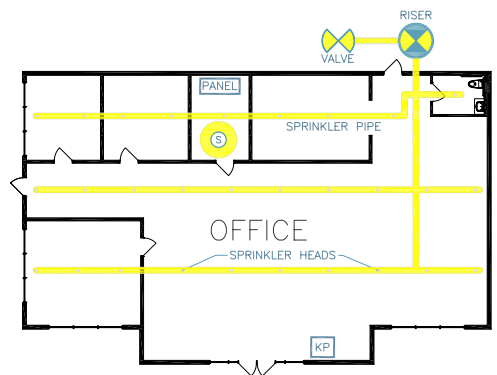

PROTECTING WHAT'S IMPORTANT TO YOU™

1 Fire Sprinkler Monitoring

Stanley provides a proven and economical solution to your fire monitoring requirements. Utilizing code compliant equipment, our fire monitoring solutions are monitored by our ProtectionNet™ Customer Service Center for dispatch of the local fire department. Stanley has the fire and protection expertise to meet the needs of your fire alarm requirements.

Stanley Fire Sprinkler Monitoring Provides:

- Fire Code Compliance
- Fire Sprinkler Water Flow and Valve Monitoring
- UL & FM Fire Monitoring with Dispatch
- Early Notification to Minimize Water Damage
- Stand Alone or Integrated Panels
- Test and Inspection Services
- Maintenance and Repair Services

WATCHING THE FLOW

Stanley has the expertise to design, install and maintain a cost-effective fire sprinkler monitoring solution that meets your code requirements and needs.

- Award-Winning Service & Technology Provider
- 24-Hour Property Protection
- Documented History for Insurance Discounts
- Online, Real-Time Activity Reports

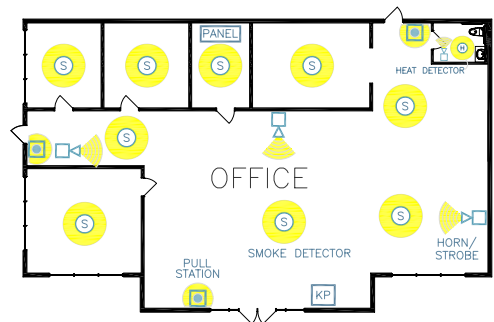

2 Automatic Fire Detection

Stanley's Automatic Fire Alarm systems help you meet your local and national building and fire code requirements. Stanley fire panels are monitored by the Stanley ProtectionNet™ Customer Service Center for the dispatch of the local fire department. Stanley's advanced fire alarm systems can help to protect employees and visitors to your facility and can reduce the risks to your business. Stanley's experts provide turn key solutions in fire system design, installation, service, test and inspection and monitoring to meet your fire alarm needs.

Stanley's Automatic Fire Alarms Provide:

- Building & Fire Code Compliance
- UL & FM Fire Monitoring and Dispatch
- Early Detection Systems and Advanced Point ID Technology
- Intelligent Initiating and Indicating Devices
- Recall and Shutdown Interfaces
- Stand Alone or Integrated Panels
- Test and Inspection Services
- Maintenance and Repair Services
- Advanced Diagnostics & Occupant Notification

WHERE THERE'S SMOKE THERE'S FIRE

Stanley's Automatic Fire Alarms are scalable life safety systems that provide early warning of smoke and fire detection.

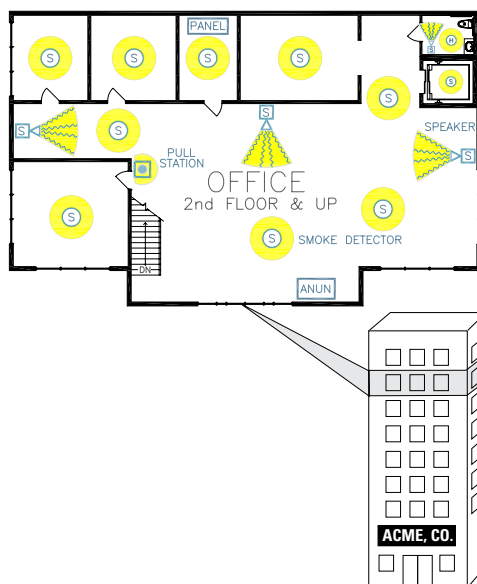

- *Intelligent Fire Detection to Avoid False Alarms*
- *Comprehensive Fire Alarm Systems with Advanced Diagnostics*
